CATHOLIC CHAPEL — U.S.A.F. Academy
 near Colorado Springs, Colorado

The beauty of the Catholic Altar with its mosaic background at the Air Force Academy Chapel is apparent in this view. To the left is the marble bas-relief figure of Our Lady of the Skies, the white dove representing the Holy Spirit in the center and to the right is the Guardian Angel. A gold chalice is in place on the altar with a silver-plated bronze crucifix at the rear. Sculpture and Mosaic by Lumen Martin Winter.

Hope you guys are ok and getting better. We've had tiring days also. Sorry haven't written sooner. Near you have winter - we've got spring weather. Too dry - but good. Enjoyed Michigan last October. Going again next October. D.V. Kids may come home for holidays. Be nice to see them. Take Care. Li
